

Calvary Chapel Pacasmayo

Malaqui 4:6 And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse.

Mission

- Take the Gospel of Jesus Christ to everyone that God allows us to have in our way.

Luke 4:18

The Spirit of the Lord God is upon me. He has chosen me to tell good news to poor people. He has sent me to tell people who are in prison, "You can go free" I must say to people that cannot see, "See again" I must cause people that are like slaves to be free.

- To teach the Word of God through and in the context in which things took place, sharing it in an easy way to understand and also in an expository way, chapter by chapter and verse by verse.

We have conviction from God, to make disciples by establishing personal relationships with the community, having Christ and his way to disciple as our example and guideness.

Mathew 28:19

Go to the people in every country. Teach them how to become my Disciples. Baptize them by the authority of God the Father, his Son and the Holy Spirit.

Vision

- Equip the church of Jesuschrist, providing an adequate place for them to learn the Word of God, rejoicing together as a family.

Acts 2 :42

The Believers continued to devote themselves to what the apostles were teaching, to fellowship, to the breaking of the bread, and to times of prayer.

- At the same time we would like to provide assistance to the families in the area, throughout a program called "Break The Children's Fast", that will bring the children to an appropriate nutrition diet. We think that we will be able to share the Word of God to them every day that we meet their needs.

- We are also praying for a land, so we could be able then to start building a Children's Dinning room, to be used also as the place that the church would get together and study the Word of God.

Acts 2 :46-47

46 United in purpose, they went to the temple every day, ate at each other's homes, and shared their foods with glad and humble hearts.

47 They were praising God and enjoying the good will of all the people. Every day the Lord was adding to their number, those who were being saved.

Objectives

- **To give the community the Spiritual tools** that they need, throughout the Word of God, for them to be able in Gods wisdom, to take right decisions, that will end up in Spiritual prosperity within their families for the Glory of God.

- **Develop United families**, through parents schools, and marriage counsel. We would like to encourage the parents to be more involved in their children's educational progress, as guiding them to be part of Homeschool programs, based on the Word of God, in which we believe firmly, and make part of our lives in a daily basis. We believe in teaching the children to respect their parents, creating an adequate environment for the development of the community in general.

- **Provide nutritional assistance by the program "Break The Children's Fast"**, Give children the spiritual principle of having a special time with their Father, before and during the first moments of the day, appreciating the faithful providence of God. By discipling them during this very important period of time, at this young age, we could assure future generations moved in the Spirit.

We would like to complement this objective by having the opportunity in the afternoons, to help them with their homework, by providing teachers that can make them improve on their different classes.

English classes will be provided for them free of charge, because we think that is important to develop this area that God want to use for His Glory, in different parts of the world maybe as future missionaries.
